

Patriot Industries Adds Stocking Warehouse in Greensboro, NC

LOUISA, VIRGINIA - July 1, 2018 -- Patriot Industries, a leading producer of GRC, EMT, Aluminum, and Stainless Steel Electrical Conduit Products has launched a new Stocking Warehouse in Greensboro, NC.

“We have always supported this territory with our weekly Patriot Blue™ delivery service,” said Glenn Diersen, National Sales Director for Patriot, “and the addition of local stock will serve to enhance our commitment even further.” Isabelle Puryear, Director of Inside Sales & Customer Service for Patriot continued, “as any of our territories develop, we listen closely to what our distribution partners need to serve local contractors and when they ask for local stock, we make it happen!”

Patriot Industries is represented by [Vincent-Angel \(www.vincentangel-inc.com\)](http://www.vincentangel-inc.com) in North and South Carolina. The Stocking Warehouse is located at 207 Industrial Ave, Greensboro, NC 27406. Patriot’s Made in America Aluminum & Steel products will be the main focus initially, with Stainless Steel being added to better serve key customers.

Tom Click, President & CEO of Patriot added, “the Carolina’s have always been a key target for us...historically underserved for Stainless Products, experiencing product shortages for GRC & EMT Elbows & Nipples, and most recently our largest Aluminum competitor shut down their North Carolina Factory and moved to Florida...I have complete confidence that Vincent Angel will continue to grow and add value to our distribution partners.”

About Patriot Industries
