Patriot loves large scale projects. Our large diameter and large radius Wallace Bender takes about 30 seconds to bend a 6" Standard 90. Our 5 Unit Pedrick Bending Workcell is comprised of Two D15 Benders and Three A7 Benders. Visit us in Virginia if you'd like to see some of the fastest and most accurate benders in the industry.

Everything we do as a company revolves around our Quality Focus. We believe that producing Electrical Conduit, Nipples, Elbows, and Couplings is a Craft. We spend a great deal of time training our Craftsmen how to thread, tap, and chamfer...and how to properly check the product. Why? Because you deserve it, and it matters!
