

Patriot Industries Hires a Controller and Warehouse Manager

Louisa, VA— February 1, 2019 — Patriot is excited to announce the hiring of Susan Thomas, Controller and Dale Bartell, Petersburg Facilities Manager.

Susan graduated from Virginia Commonwealth University with a Bachelor of Science in Accounting in 2000. She brings with her over 18 years of professional experience including 8 years in public accounting and 10 years in private industry working with growth phase small businesses. Originally from Hanover County, she's happy to be relocated back in the area after spending the majority of her career in Northern VA. When Susan isn't crunching numbers, you can find her at any wine tasting event, summer festival or enjoying any kind of car racing.

Dale joins Patriot with over 30 years in the warehousing, construction and metal manufacturing industries. He comes to us from the Shenandoah Valley where he was recently the Operations Manager for a non-profit organization. Dale will be organizing and leading the Petersburg warehouse and every day tasks. In his spare time, you can find Dale at a car show checking out muscle cars, following dirt track racing or traveling to the beach with his family.

"I'm happy to have Susan and Dale on board with Patriot. They bring a wealth of expertise, experience and skills that we are looking for to help with our continued success and growth. Please welcome Susan and Dale to our team!", says Tom Click CEO & President of Patriot.

About Patriot Industries
