

## **Patriot Industries Opens a New Warehouse Facility in Petersburg, VA**

**Louisa, VA— January 25, 2019** — Patriot Industries, a leading producer of GRC, EMT, Aluminum, and Stainless Steel Electrical Conduit Products is pleased to announce our new, 45,000 sqft warehouse and production space in Petersburg, VA, just south of Richmond, VA. This allows our partners to order all 4 materials (GRC, EMT, Aluminum, Stainless) on one PO and even receive it on one delivery (including as a prefab kit) via our Patriot Blue™ delivery service.

“Due to our remarkable growth, we are excited to be able to offer our loyal partners a larger selection of products under one roof. Our new warehouse is in a prime location, conveniently located near two major highways, I95 and 85 for quick and easy deliveries and pick-ups,” says Tom Click President & CEO of Patriot Industries. “In addition to expanding our warehouse location, we’d also like to introduce Petersburg’s new Warehouse Facility Manager, Dale Bartell. Dale comes to Patriot with almost 30 years of warehouse operation experience. Please join me in welcoming Dale to the Patriot team,” said Click.

“This is just one of many exciting developments for Patriot in 2019. We are on track to meet and exceed our customer’s expectations”, adds Isabelle Puryear, Director of Inside Sales & Customer Service.
