2014 Patriot Aluminum Conduit “Pinup” Calendar Now Available

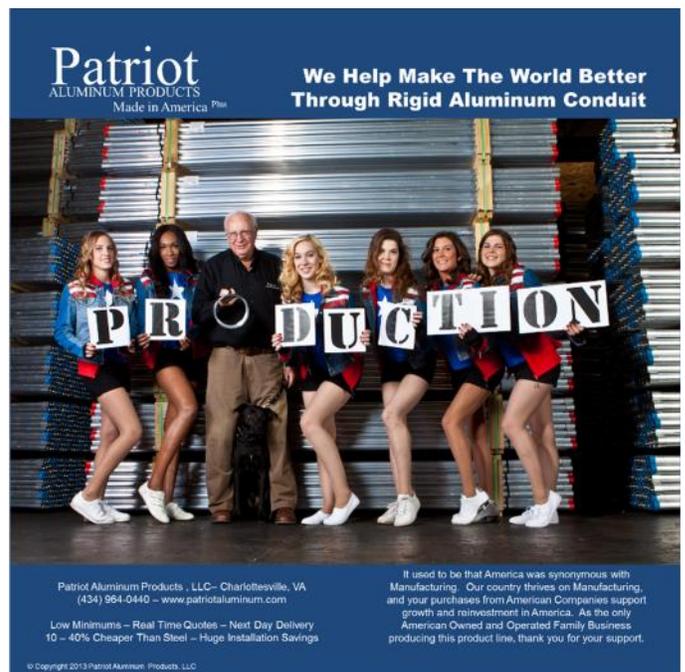

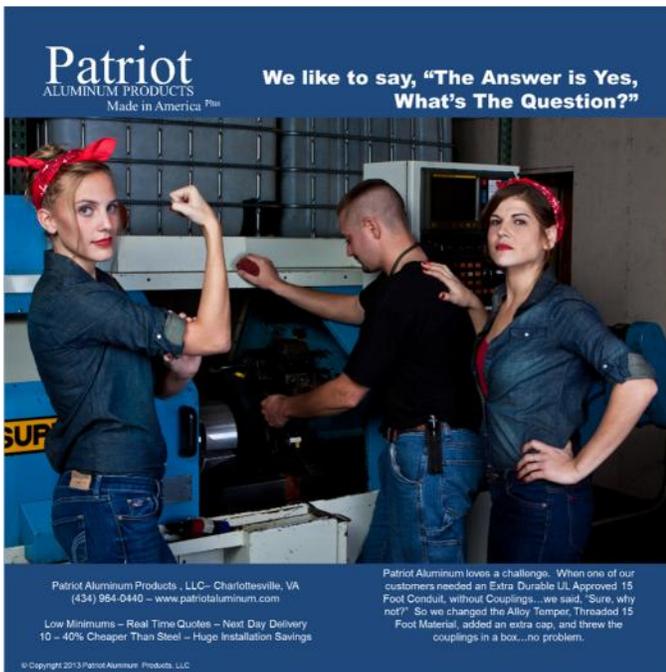

Earlysville, VA (December 15, 2013) Patriot Aluminum Products is kicking off the new year with a new calendar. Continuing the theme started at this year’s NECA convention, Patriot’s calendar features “Rosie The Riveter” along with a look inside the factory.

“This was a great opportunity to showcase some of our capabilities while having a little fun,” said Tom Click the company’s CEO & Owner. “The calendar was modeled after vintage WWII posters, it has great texture, and our intent was to capture the spirit of American Manufacturing. We can do it...America can do it.”

Megan Larraburu, Patriot’s Inside Sales & Logistics Manager continued, “This was long day, but everyone had a great time. The Army Veterans outnumbered the Marine Veterans in the shoot, and according to the Marines, ‘this is normal, we don’t need as many men as Army does to complete the mission.’”

The Calendar is formatted 12” x 12”, call Patriot at 434-964-0440 to request a copy.

Patriot Aluminum Products started operations in 2010 and offers the full line of rigid aluminum conduit, nipples, elbows, and couplings. Patriot touts the fact that its products are 100% Made in America, and that it is the only American Owned & Operated, and the only Family Business producing this product line. Patriot employs about 40 people and also has regional distribution centers in Atlanta, Boston, Charlottesville, Chicago, Houston, Louisville, New Orleans, New Jersey, Phoenix, and Tampa.

We Get The Job Done

Patriot Aluminum Products, LLC – Charlottesville, VA
(434) 964-0440 – www.patriotaluminum.com

Low Minimums – Real Time Quotes – Next Day Delivery
10 – 40% Cheaper Than Steel – Huge Installation Savings

Patriot Aluminum has the resources to handle the big stuff...and not just "plain" big...really big. One of our keynote projects required over 33 Miles of 4" Rigid Aluminum Conduit...and each stick was 20 Feet Long. Yeah...that's big.
